

PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

Whereas:

- Sex selection abortion is legal as Canada has no legal restrictions on abortion;
- Sex selective abortion is antithetical to our commitment to equality between men and women;
- A 2019 DART & Maru/Blue poll, conducted for the National Post, showed that 84% of Canadians believe it should be illegal to have an abortion if the family does not want the child to be a certain sex;
- International organizations including the World Health Organization, United Nations Women, and United Nations Children’s Fund have identified unequal sex ratios at birth as a growing problem internationally;
- Canada’s health care profession recognizes sex selection as a problem.

Therefore, we the undersigned citizens of Canada call upon the House of Commons to pass a *Criminal Code* prohibition of sex selective abortion.
